Mike and Bethany,

Thanks for your time to discuss the Back Forty Project on November 1 at your Lansing office. Attached is a draft of the proposed Wetland and Stream Mitigation Plan for the project. Please consider this a draft for review and discussion only. Thanks again and we look forward to continue working with you on this project.

Subject: Agency Coordination

Kristi,

I wanted to make sure all the lines of communication were open.

We have a meeting scheduled with Mike Pennington for Tuesday November 1 at 9 Eastern. The meeting is intended to review specific questions on the Mitigation Plan and path forward.

In addition, we are planning to meet you and Ginny on Monday November 14th to review draft application materials. Could we start at 12:30 Eastern?

We will be filling out the pre-application request for the meeting as you noted.

Thanks much
